

SilverCrow Creations is an Angel Company

All SilverCrow Creations and Meadowlark Designs are copyrighted. We hope you enjoy using our stamps to create personal artwork by hand-stamping the images. If you can use our designs for resale, CONGRATULATIONS! Please give us credit if you can. We only ask that you do not electronically reproduce the images for large distribution (but to advertise your artwork for sale is ok with us!) And, please don't make a rubber stamp out of our stamp designs and sell them yourself!
